FAQ's

1. Why do you only list one off each item?
 - a: We Select the best item and don't want to show you anything we don't recommend
2. Is there a warranty on refurbished machines?
 - a: Yes all our hardware come with a 1 year warranty
3. How will repairs be done if needed?
 - a: If it's a standard part(Ram, Cmos, HDD, CPU) and is in stock repair will be done within 24 hours
 - If it's a non standard part we will do a best effort repair and try our best to give you a loaner system
 - Until the repair is completed
